Kasus Jiwasraya Diputus Hari Ini

Putusan hakim PN Jakarta Pusat diharapkan tidak jauh berbeda dengan tuntutan jaksa. Hakim yang bertugas di PN Jakarta Pusat akan mengelar sidang putusan tersebut pada kondisi perkara yang telah diputuskan hakim dan disidangkan di PN Jakarta Pusat.

Jiwasraya (Persero) Tbk merupakan perusahaan asuransi jiwa yang berlokasi di Jakarta yang mengalami kebangkrutan pada tahun 2017 dan disidangkan di PN Jakarta Pusat. Perusahaan ini mengeluhkan adanya tuntutan dari jaksa yang berbeda dengan tuntutan yang diajukan oleh kuman.

Jaksa membawa tuntutan seumur hidup kepada Maxima Integra, Direktur PT. Bank Bukopin Tbk, sebagai pihak yang mendukung perusahaan membuat keputusan yang tidak adil. Hubungan antara keduanya sangat erat, karena Maxima Integra adalah pemegang saham yang berhak untuk hadir atau diwakili dan memberikan suara dalam Rapat.

Jiwasraya (Persero) Tbk mengklaim bahwa Maxima Integra telah melakukan tindakan yang merugikan perusahaan. Menurut Jiwasraya, tindakan tersebut telah merugikan keuangan perusahaan dan mencemarkan nama baiknya.

Putusan hakim diharapkan memberikan kepastian bagi Jiwasraya (Persero) Tbk dalam mengelola sektor asuransi jiwa di Indonesia. Hakim diminta untuk mempertimbangkan kembali dan memberikan putusan yang adil dan fair.
